

We Want To Buy

Your Used Ultrasound Equipment!

ALL IMAGING SYSTEMS. Working for YOUR business.

All Imaging Systems is a long-standing company known for new and used ultrasound equipment and parts. We are a full-service ultrasound provider with a large product line including names you are familiar with such as **Acuson, GE, Philips, Toshiba, HP, Sonosite, Medison** and others.

Whether you are in the market to buy ultrasound machines and probes, or looking to sell your own, you have come to the right place! We have a knowledgeable staff waiting to assist you and welcome the opportunity to work with you and your company as you look to acquire an ultrasound system, ultrasound probe or simply replacement parts.
